Student Health Questionnaire

(2026 – 2027)

The following information is requested by the school nurse to plan an appropriate program for your child's needs in school, should any emergency situation arise. We would appreciate your completion of this form. Please note that:

- Parent/Guardian is responsible for providing the school with any medication, or equipment that the student will require during the school day.
- If an individual school health care plan is indicated, Parent/Guardian is responsible for providing the school nurse with the necessary medical information.

Walsh Academy seeks to provide quality health services and maintain up to date health records for all students. As parent/guardian of the below named student, I acknowledge by my signature below that I have provided the Walsh Academy with the most accurate health information on my student.
